25X1A   Comment. The present report supplements previous information by breaking down the total of cars loaded in East Germany according to the eight railroad districts.     25X1A

25X1A Between 10 and 18 February, the number of cars claimed by the Soviet occupation power increased in the Schwerin and Erfurt railroad districts and to a lesser extent also in the Berlin, Magdeburg and Halle railroad districts in connection with winter exercises held during that period. Several times the prescribed target of 21,200 cars to be loaded daily was surpassed in the reported period.
